

Dear Parents/Guardians,

Summer is rapidly approaching and we are once again offering summer school classes for grades K-5. If you are interested, please return the registration form to your child's teacher by May 3rd in order for us to secure instructors. We have some minimum number requirements.

After your registration is received, we will send you your child's schedule and financial statement. All summer payments will be due by Tuesday, May 21st, although we will work with families on payment plans.

Financial assistance of up to half the tuition is available for families who need it. Call 528-3215 to inquire about financial help. Please remember that your registration deadline is May 3rd!

Sincerely,

Matt Alley  
Summer School Coordinator
