The assignment will be determined by the building principal or designee and will focus on helping the student understand the consequences of tobacco use. Students found to repeatedly violate this policy shall be subject to disciplinary action pursuant to district policy.
2. **Employees.** Any district employee found in violation of this policy may be provided with tobacco cessation information and will be encouraged to participate in a tobacco cessation program. Employees found to repeatedly violate this policy shall be subject to disciplinary action pursuant to district policy.
3. **Visitors.** Other adults observed to be in violation of this policy shall be asked to refrain from the behavior. Repeated violations of this policy will be handled on a case-by-case basis by an authorized district official and may result in a directive to leave school property.
